

Conisoft 2021 Instruction Manual

For a better user experience, please display the system from a laptop or a desktop computer.

Registration:

The first step is to navigate to the registration page, here you will be able to create your account. Fill out the required fields (Marked by asterisks) If you are a presenter/ speaker you can check the box to mark yourself as one, this will then prompt you to submit your paper. If you have your receipt at this time, you may upload it now or after you create the account. (Details in Adding Receipt).

Register

Full Name*

Email address*

Password*

- Your password can't be too similar to your other personal information.
- Your password must contain at least 8 characters.
- Your password can't be a commonly used password.
- Your password can't be easily guessed.

Password confirmation*

Enter the same password as before for verification.

Do you have a receipt?

If your registration was successful, you will be automatically logged in. You will see a window like the next.

After you are logged in the site, you have to wait for the admin verification and then you were able to select a workshop in the list. The link to connect to the workshop will appear on the workshop description, once you were enrolled into the workshop. We will be verifying during all the weekend, wait a couple of hours and see if your account was verified so you can select a workshop. (if you need any assistance you can contact sjimenez@sdgku.edu in English or Spanish).
