

CONISOFT2024

12th International Conference on Software Engineering Research and Innovation

Universidad del Mar (Campus Puerto Escondido), Puerto Escondido, Oaxaca, Mexico.
October 28 to November 1, 2024.

GENERAL PROGRAM

Universidad del Mar

Wednesday October 30th			
8:00-9:00	Register Title: TBD		
9:00 - 10:00	Dr. Abhishek Pandey (in English) India Computer science & Engineering Department in Chandigarh University, Punjab, India.		
	Opening Chair: Location:		
11:00 - 13:20	Online access: SESSION A Software Methodologies and Practices Chair:	Online access: SESSION F Core themes of Software Engineering Chair:	Online access: SESSION D-1 Interaction with other disciplines close related to Software Engineering Chair:
13:20 - 14:20	Free time		
14:20 - 15:20	Title: Dr. Gastón Patricio Márquez Ortega (In Spanish) Location: Universidad del Bio Bio, Chile		
15:20 - 15:30	Free time		
15:30 - 16:30	Title: TBD Netzer Gabriel Díaz Jaime (in Spanish) Location: Director del Comité de Informática de la Administración Pública Estatal y Municipal A.C.		

Thursday October, 31th			
9:00 - 10:00	Panel: Computing Education in the Generative AI Era Panelists: Joshua C. Nwokeji, Gannon University, Pennsylvania, USA; Pulin Agrawal, Penn State University, Pennsylvania, USA, Andy Meneely, Rochester Institute of Technology, New York, USA. Hosted by Hector Perez-Gonzalez (in English) Online access: U.S.A. Universities		
10:00 - 11:00	¿Son felices los ingenieros del software? motivación, estrés y rendimiento en el trabajo remoto. Dra. Aurora Vizcaino Barceló (In Spanish) Online access: Universidad de Castilla-La Mancha, España		
11:00 - 11:10	Free time		
11:10 - 13:10	Online access: SESSION E-1 Trends in Software Engineering Chair:	Online access: SESSION D-2 Interaction with other disciplines close related to Software Engineering Chair:	Online access: SESSION E-2 Trends in Software Engineering Chair:
13:10 - 14:10	Free time		
14:10 - 15:45	Online access: SESSION D-3 Interaction with other disciplines close related to Software Engineering Chair:	Online access: SESSION B-2 Empirical Software Engineering Chair:	Online access: SESSION D-4 Interaction with other disciplines close related to Software Engineering Chair:
15:45 - 16:45	Building embedded machine learning applications for Industry 5.0 Claudio Miceli de Farias (In English) Online access: Universidade Federal de Rio de Janeiro		

Friday, November 1st			
9:00 - 10:00	El éxito de la ingeniería de software basada en proyectos: La clave de trabajar con clientes reales Dra. Samantha Jiménez and Dr. Camilo Caraveo (in Spanish) Location: Universidad Autónoma de Baja California		
10:00 - 10:30	Free time		
10:30 - 13:00	Online access: SESSION B-1 Empirical Software Engineering Chair:	Online access: INVITED PAPERS Chair:	Online access: SESSION C Software Engineering Education (SEE) Chair:
13:00 - 14:00	Sincronización Caótica como Enfoque para el Cifrado de Objetos JSON Dr. Omar S. Gómez G. (In Spanish) Online access: Facultad de Informática y Electrónica, Escuela Superior Politécnica de Chimborazo		
14:00 - 14:30	Closing Ceremony
